

FACT SHEET

Location

The Radisson SAS Saga Hotel is situated just a few minutes walk from the city centre of Reykjavik. The domestic airport is only 5 minutes away from the hotel and travelling time from the International Airport is 45 minutes. Also in our vicinity are; the National Museum, the National Library, the Nordic house, the University of Iceland and an outdoor, geothermal-heated swimming pool.

Rooms

The Radisson SAS Saga Hotel has 209 comfortable guest rooms, including 8 junior suites and one presidential suite. Further, we offer rooms especially equipped for disabled guests, non-allergic rooms, interconnecting rooms and non-smoking rooms. We are proud that all rooms have a stunning view of the city of Reykjavik. Use of the Internet is free of charge for our hotel guests.

Meetings & Events

The hotel offers facilities fully equipped with the latest equipment and technology to make all events a success. We are able to cater for a wide range of functions, both small as well as large conferences and private parties. In the hotel there are 9 rooms, seating up to 400 persons.

Restaurants & Bars

There is a choice of two restaurants at the hotel; the Grill Rooftop Restaurant, where a spectacular view of the surrounding city and mountains together with an elegant à la Carte menu can be enjoyed. The Garden Restaurant Skrudur offers a light buffet for lunch and an exciting menu throughout the day. Our two bars include the rooftop Astra Bar and the popular Mímisbar on the ground floor.

Relaxation & Fitness

Free entry (for hotel guests) to the Mecca Spa health centre, located on the lower ground floor. Facilities include a fully equipped fitness room, a Jacuzzi, with substances from the sea, a sauna and a steam bath.

Additional Services

The hotel offers the following services: Room service, 3-hour Express Laundry service, newspapers, Business center, Late Check-Out and Express Check-Out. You will also find a bank, a gift-shop, a barber and a hairdresser in the Saga Hotel.
